

TALENT ON PARADE

NATIONAL THEME DAYS

Just for fun, competition days will be themed as follows. We'll award a special trophy each day to the person or studio who demonstrates the theme in the biggest, funniest, or most creative way.

TUESDAY: Island Luau Day

After so much sheltering in place we all need a vacation. Let's all go on a virtual vacation to the islands by wearing some crazy tropical apparel. This theme should also set the scene for a week of relaxation and fun.

WEDNESDAY: VSCO Day

VSCO isn't just a social media photo-editing app anymore, it's an attitude. Gear up on this VSCO Day with your scrunchies, friendship bracelets, oversized tees, puka shell necklaces, mom jeans and those eco-friendly water bottles. It's another laid-back day at TOP.

THURSDAY: Zoom Call Day

Who doesn't know about Zoom by now? Show us what you might wear on a Zoom call by dressing "up" on top and dressing "down" on the bottom.

FRIDAY: Tiger King Day

The Tiger King series took the nation by storm and introduced us to some very unusual characters. Dress up as your favorite character or simply wear some animal-inspired clothing. It'll be a roaring good time.

SATURDAY: Prom Day

Make the scene in your formal wear favorites. Keep it subdued or take it over the top. They'll be no cancelling this prom fashion show.

SUNDAY: Senior Graduation Appreciation

The graduating seniors among us need all the attention and support we can give them this year to send them into their futures on a bright note. It's a great opportunity to show off that cap and gown. Or, you can show your pride for the post-graduation school you plan to attend by sporting that school's logo on your clothes.
