

# TALENT ON PARADE

## NATIONAL THEME DAYS

Just for fun, each day of national competition will be themed as follows. We will award a special trophy each day to the studio who demonstrates the theme in the biggest, funniest, or most creative way.

### **Sunday, June 13 – DISNEY DAY**

The Disney parks have always been a great vacation option but traveling for pleasure has been difficult at best this past year. So, if we can't travel to Disney, we decided to bring Disney to us! Dress as your favorite Disney character and/or show off those Disney ears you've had gathering dust under your bed. Or, bring along your favorite Disney plush and introduce it to all your friends.

### **Monday, June 14 – TIE DYE**

Tie dye is all the rage... every color you can think of all together. Wear your favorite cool summer tie dye apparel and feel the vibe. Don't have any tie dye? Get together with your friends from the studio and make it a tie dye party.

### **Tuesday, June 15 – FLANNEL**

This is every dancer's favorite cover up. It's a popular choice in PJs too. Show us your favorite flannel and wear it with pride. Helene (long-time Go Pro choreographer and regular flannel wearer) would definitely approve.

### **Wednesday, June 16 – BRING BACK BROADWAY AND CONCERTS**

Dress to represent your favorite Broadway musical or in your favorite band T-shirt. Let's support the return of live performances everywhere!

### **Thursday, June 17 – BLACK AND PINK DAY**

Black and pink are known as the classic go-to colors in dance studios around the world. Wear your favorite black and pink dance apparel, and/or dress up an adult family member (maybe your Dad?) in pink tights and black leotard so they can get into the fun (nothing too revealing please).

### **Friday, June 18 – STUDIO SPIRIT**

Every studio has a color, a motto and/or a theme. Show us what your studio is made of. Celebrate your studio loud and proud!

### **Saturday, June 19 – CAMO DAY**

Camo has indeed become a fashion statement in the past year. Maybe it's all the "battles" we've had to fight. Wear your camo and celebrate the hope of easier days ahead.
